English 1,2
English 3,4
Spanish I
Environmental Science
Biology
Health

Summer School Rules

Behavior standards are the same as during the school year. Repeated offenses will result in expulsion from the summer school program.

If your average is below a fifty - a low failing grade...you are not eligible for summer school.

You must fail with a 50% or higher!

Summer school courses are not included in class rank.

All courses in summer school are offered at the CP2 Level.

Attendance policy for summer school is very strict:

Any student who is absent more than 2 classes will fail the course! In extreme cases, as deemed by the summer school director, students may make up a class at the cost of \$35 for the tutorial session.
