Dear Parent or Guardian,

I am writing to provide you with information regarding the School Choice stop at the Methodist Church located at the intersection of Airline Road and Setucket Road in Brewster. Procedures are in place for the 2019/2020 school year when parents drop off and pick up their child/children.

In order to keep everyone safe we would like your assistance in implementing the following procedures when entering and exiting the Church grounds:

- Students should be dropped off in the back of the church; students should wait on the cement walkway for the bus;
- Students are asked to stay in the back of the church on the cement walkway and not enter the church building as there is no District or Church staff on site to supervise;
- When dropping off your child/children, please drive slowly through the church parking lot; please be aware of students and parents when entering and exiting the parking lot as this is a very busy area in the morning and afternoon;
- If you get to the church early enough please park in the back, there is plenty of parking available;
- Students are dropped off at 3:30 p.m. Please be sure your child/children are picked up by 4:00 p.m.
- Please be reminded, this is private property and we are guests and we need to adhere to these procedures.

I thank you for your patience as everyone acclimates themselves to these procedures. We will be monitoring on a regular basis to ensure the safety of our students and parents.

Sincerely,

Giovanna Venditti
Director of Finance and Operations

Dear Nauset School Bus Families!

We welcome you to Northside United Methodist Church and we are excited to be hosting the Nauset School District once again for a Bus Stop! To get ready for the new year, we want to ensure that all students and volunteers are cared for and safe. Here is some information to help make the Bus Stop an awesome time:

- **The church building will not be open to students in the morning because there is a private meeting every morning from 7:15-8:15 a.m. Please do not have your students walk through the building to open a locked door.**
- Please **park in our back parking** lot in the morning and in the afternoon. The front parking lot will be for other groups using the church throughout the day.
- The church may not be open each afternoon when the bus drops your student off. The church office regularly closes at 1:30 each weekday. On those days that church staff are not here, your student will need to wait outside the building for you to pick them up. On days that staff are present in the afternoon, the church will be unlocked and your student is welcome to wait in the building for you to pick them up.
- **Please make sure your students are picked up no later than 4:00pm.**
- If church property is damaged by parents or students, we will ask you to pay for the damages.
- Please **drive slow** in the parking lot.
- We ask that students follow the same rules that they would at school while being here.
- During the winter, we keep up to date with the school system based on snow days and early dismissals. You can always check our website at ***www.northside-umc.org*** or our Facebook page for updates on the Bus Stop!
- We love being of service to you and your students and if there is any way we can help you, please let us know.
- If you have any questions you can contact our church office at ***1.508.385.8622*** or at ***northsideumc.office@gmail.com***

We enjoy having your students and pray that everyone will have an awesome and safe school year!

Peace and Grace,

Rev. Rodney Dobbs, Pastor
