Dear Nauset Families,

Summer is a great time for reading just for the fun of it. The Nauset Summer Reading Program has been developed in conjunction with the town public libraries to focus on developing a love of literacy in students. The books you see listed in this Summer Reading Guide are suggestions for you. All of these titles have been carefully chosen and are known to be worthy of your time. Any book you read during the vacation, whether it is from our list or recommended by a friend or a relative, is a new adventure and strengthens your reading abilities.

Our Summer Reading theme for 2020 is “Imagine Your Story”. The goal is to provide books that foster an interest in using your imagination, whether it’s exploring a fairy tale, mythology, poetry, or fantasy novels. The possibilities are endless!

Librarians have collaborated to ensure that the books listed in our guide are available to you at several of the local libraries in the CLAMS network in print, ebook, and audio formats. Many of the books are also available on Audible. You are encouraged to check your town library’s summer schedule and attend the fun virtual activities and programs planned for children of all ages. As of the first week of June, town libraries are open for curbside pickup ONLY during limited hours. Please contact your library to learn more information. Librarians are available by phone and email to assist you in discovering the best books for reading fun and learning.

We hope your summer is filled with enjoyment and that some of that fun will include exploring libraries and reading!!

All the Best,
