Sign up for ParentSquare **today**

We're using ParentSquare as a single platform to communicate and engage with parents/guardians — all the way from the district office to the classroom teacher, and all in one place.

How ParentSquare Works

- 1.** Teachers & staff share school-related news on ParentSquare.
- 2.** Parents & guardians receive, respond, sign up and get automated reminders in their preferred language!
- 3.** Everyone has easy access to all interactions in one place.

How To Sign Up For

Go to <https://www.nausetschools.org/parentsquare>. You can also install the ParentSquare app on your smartphone and follow the prompts to sign up.

Tip! Use your email or the phone number that you have provided to your school and is in our Aspen Student Information System to set up your account. Otherwise, ParentSquare will not be able to link your account to your student's information. Your email/phone number must match contact details in Aspen for this to work.

Tip! If your contact details aren't recognized, contact your school to get them added. After they update your information in Aspen, the new contact details will appear in ParentSquare after the next daily sync, and you will be able to create an account.
