

**SUMMARY OF NAUSET REGIONAL MIDDLE SCHOOL'S  
GOALS AND PRIORITIES FOR 2014-2015**

In FY15, Nauset Regional Middle School will focus on the following goals and priorities:

Goals:

1. Improve mathematics achievement as measured by MCAS, particularly as it applies to various sub groups of students.
2. Conduct a self-study to decide if NRMS should become an International Baccalaureate school and identify specific ways to bring multiculturalism into our arts programs, performances, literature and celebrations.
3. Align our science curriculum with upcoming State standards.
4. Increase use of technology in classrooms.
5. Increase parent engagement in the school.
6. Develop curriculum for science, horticulture, STEM projects to use the Greenhouse.
