

Eddy Elementary School

Mission Statement

The Eddy Elementary School faculty and staff believe that excellent schools build a strong community and country. Therefore, in partnership with parents, family, and community we are dedicated to:

*Fostering a lifetime love of learning within a safe, nurturing, and positive atmosphere.

*Empowering all students to realize their full potential for academic excellence, social responsibility, and a healthy sense of self.

Mission Statement

Stony Brook Elementary School

Our goal is to prepare our children to successfully meet the academic and social challenges of an ever-changing world. Stony Brook staffs, in partnership with the parents and community, believe in and are committed to upholding this mission. We work towards maintaining a safe, respectful environment that supports and challenges all individuals.
