MEMORANDUM

To: Eastham School Committee Members

From: Thomas M. Conrad, Superintendent

Date: November 21, 2017

Subject: FY19 Budget

This budget reflects the efforts of our staff and building Principal, Bill Crosby, to present an operating budget that supports an excellent educational program that meets the needs of Eastham Elementary students.

In discussion with Principal Crosby, Director of Finance & Operations, Giovanna Venditti, Director of Technology, Barbara Lavoine, and Director of Student Services, Dr. Ann Caretti, we have tried to find that delicate balance between the towns' fiscal guidelines and the educational needs of our students.

The budget request reflects funding to support the current program at Eastham Elementary School. The budget continues our commitment to professional development for our staff with ongoing initiatives. This budget continues to support the K-5 Technology Plan.
