

Naming Covalent Compounds Worksheet

Name the following covalent compounds, given their formulas:

- 1) NF_3 _____
- 2) P_2O_5 _____
- 3) HNO_3 _____
- 4) F_2 _____
- 5) HBr _____
- 6) OBr_2 _____
- 7) BF_3 _____
- 8) CH_4 _____
- 9) NO _____
- 10) BN _____

Write the formulas of the following covalent compounds, given their names:

- 11) carbon disulfide _____
- 12) sulfurous acid _____
- 13) selenium _____
- 14) ammonia _____
- 15) dinitrogen trisulfide _____
- 16) hydrogen _____
- 17) hydrobromic acid _____
- 18) sulfur dioxide _____
- 19) carbon tetrachloride _____
- 20) phosphorus pentabromide _____
