Priority Business

Technology Integration Presentation

Keith Gauley shared the goals of the Technology Integration Program at the elementary level that included teaching foundational technology skills and working with the new DESE standards. He introduced the Technology Integration Specialists in our elementary schools to the Committee. (Dawn Steber-Orleans, Brianne Menza-Eastham, Noah Campbell-Haley-Stony Brook, Lisa Holmes-Wellfleet, and Darlene Noonan – Eddy)

Members of the School Committee participated in a group lesson using a question and answer program that gave correct answers to questions and calculated scores. After the group exercise, two different stations were set up for a 15-minute session using technology. School Committee members either used the “green screen” or the “shadow puppet” app.

Chair Briere thanked the Technology Integration Specialists and Keith Gauley for providing the hands-on technology presentation displaying various ways technology is used at the different grade levels in our elementary schools.

Adjournment

On a motion by Judy Lindahl, seconded by Ann Crozier, it was voted unanimously to adjourn at 6:47 p.m.
